

Town Manager's Report for June 6 – June 10, 2016

Items to report on this week include the following:

Planning/ Building/ Engineering Update:

The City **Engineer's Report** is attached. Items in **red text** show updates in status from the prior report.

The April **Sewer** O&M report prepared by West Bay Sanitary District is attached.

The following project was continued from June 7 to the June 14 **Site Development** hearing (neither the applicant or a representative were in attendance):

- A landscape screening plan for a new residence under construction at **29600 Beatrice Lane**.

The following project was approved at the June 7 **Site Development** hearing:

- A landscape screening plan for a new residence under construction at **12345 Briones Way**. Two neighbors were in attendance. Tree planting along the north property line was modified based on previous discussion and agreement between the applicant and neighbor. It was recommended that shrubs to be planted along the south property line be grouped or staggered rather than planted in a single hedge row.

The following projects were approved at the June 7 **Fast Track** hearing:

- A new residence with second unit and basement, pool and cabana on property at **25975 Alicante Lane**. Adjacent neighbors were in attendance and expressed concern about proper location of the new home relative to setbacks. The applicant agreed to mark the common property line between the properties. Certification of the location and height of the new home and cabana are required by conditions of approval.
- A major addition and remodel of an existing residence at **25600 Burke Lane**. No neighbors were in attendance. Staff previously met with a neighbor who did not have any concerns after reviewing the plans.
- A permit modification and grading policy exception to allow removal of unconsolidated fill for a previously approved second unit, garage and driveway on property at **12830 Deer Creek Lane**. No neighbors were in attendance.

Interviews for Senior Planner were held this week. Candidates were interviewed by an outside panel of experts that included Planning Directors from Portola Valley (Debbie) and Saratoga. An offer of employment was made by Town management to the top scoring candidate *Marni Moseley* and that offer was accepted. Marni is a certified planner and has worked as a planner for the Town of Los Gatos for the past nine years. Marni's first day will be Tuesday, July 5.

Planning staff attended the June 9 open house for the update of the **Stanford General Use Permit (GUP)** and **Community Plan**. The open house was held to provide information on how Stanford operates and to solicit early public input as plans and the application for the GUP update are developed. Information was presented on sustainability, transportation, conservation, housing and academic and health programs. It is anticipated that an application will be submitted to Santa Clara County Planning for the GUP update in late summer and the

project will go through an environmental review process in 2017. Expansion will primarily be done through redevelopment of existing sites within the existing campus area; compact development with below ground parking will replace parking lots and underutilized parcels. The Town is on the notification list, and staff will add information to the web-site as it becomes available.

Public Safety Update:

The **Sheriff's** weekly report is attached.

Administrative Services Update:

The City Manager **Proposed 2016/17 Operating and Capital Budget** and the Five-Year Capital Improvement Plan is **available online**. This document is an abbreviated version of the final adopted budget, which will be prepared based on Government Finance Officers Association (GFOA) requirements and recommendations.

Today, the Administrative Services Department received notification from GFOA that the **Town** has been **awarded** the "**Certificate of Achievement for Excellence in Financial Reporting** for its Comprehensive Annual Financial Report for the Fiscal Year Ended June 30, 2015." Attached is a photo of the pin and the certificate. Congratulations to the Town's Finance Staff on earning this award!
