

Town Manager's Report for October 20-24, 2014

Items to report on from the previous week include the following:

Planning/ Building/ Engineering Update:

The City **Engineer's Report** is attached. Items in red text represent updates in project status.

Planning staff has started work on the **Housing Element update**. A community meeting will be held on **November 20, 2014** to provide information to interested residents about the update and to receive any public comments. A draft of the **Housing Element survey** has been sent to Council members for input.

Two code violations were remedied this week: a grading violation on La Rena Lane and a fence being built without permits on Elena Road.

Development activity has continued to keep Planning and Building staff busy. To date for the month of October Planning has received **15** new applications and Building has received **59 building permit** applications.

Public Safety Update:

The **Sheriff's Weekly Report** and public safety report for September are attached.

Administrative Services Update:

The City Manager and Administrative Services Director held a meeting with the FIC sub-committee members Roddy Sloss and Courtney Corrigan, the **ABAG PLAN** Risk Manager, Jim Hill and Finance Director, Herb Pike to discuss the Town's general liability insurance policies provided by ABAG PLAN. ABAG PLAN management presented highlights of the newest actuarial report as of September, 2014 which showed the favorable changes in estimated ultimate losses and a decrease of liability for outstanding claims of \$1,483,000. The summary of this meeting will be presented at the next FIC meeting.

At the request of **Council member Rich Larsen**, Administrative Services Director Yulia Carter is working on a **policy** statement and uniform administrative procedures for the receipt of **public donations** and gifts to the Town. Once prepared, the draft policy will be reviewed by the City Attorney and presented at the next Council meeting.

The Town's property tax consultant HDL Coren & Cone reported to staff that the Town's residential **property value** has **increased 6%** in comparison to last calendar year. This is attributed to (1) the sale of residential property at a price higher than the original assessed value, (2) the reinstatement of 70% of Prop 8 properties which had received an automatic temporary home value reduction adjustment, as a result of the recent economic downturn, and (3) the completion of several major owner initiated property renovation resulting in an increase in property value. HDL will be providing the Town with their preliminary projections for the next year's security property tax increase in January, 2015.

Parks and Recreation Update:

The Pacific Ridge Pony Club will be holding their **Halloween Horseshow** at Westwind Community Barn on **Saturday, October 25th** beginning at 9:00am. The Halloween costume contest will be held after 12:30pm.

City Clerk Deborah Padovan reports that official Town records are becoming available online for public review through the Laserfiche system. The Town's Records and Document Search program allows the public to search, review and print Town documents - without having to come to City Hall. Staff can also utilize the search feature to research older documents. Expanding the Laserfiche database is a work-in-progress and the staff goal is to scan all Town records dating back to January 27, 1956 into the new online system. The records scanned to date may be viewed here: <http://www.losaltoshills.ca.gov/documents-forms/search-town-records>

If you have any questions or comments feel free to e-mail or call.

Thanks
