Town of Los Altos Hills **Notice of City Council Meeting Cancellation**

Statement from Mayor Michelle Wu --

The Special City Council meeting scheduled for September 23rd at 2:00 p.m. has been cancelled. This meeting was proposed and scheduled during the regular City Council meeting on September 17th in part to address a potential code of conduct issue arising from a statement made by a former Town Committee member, who has since resigned from all committee positions. The City Council received the former committee member's resignation letter on September 18th, the day after the special meeting was scheduled. Therefore, the special meeting is no longer necessary. The statement from the former committee member was related to alleged mismanagement of grant funds by an employee of the Town. The City Manager has reviewed the issue and has advised the City Council that there is no evidence to support this allegation. Also, the Council will include a consideration item on its next regular meeting to further consider the Code of Conduct and compliance with the Code of Conduct.
