1. **Call to Order** - taken at the 9 am meeting. All OSC full members present.

2. **Discussion of new telecom pole**
 - City Manager Cody Einfalt presented information about the possibility of a new telecom pole in Los Altos Hills. He said the town had identified four possibilities for the placement of the pole, and they are located in the town's four preserves. He noted that it is legal to place them there, and asked for our feedback. KG asked about the feasibility of the OSC being involved in the process of the placement. After discussion, a motion was moved to recommend placing the pole in the O'Keefe Preserve, close to 280, but that this was the only location the OSC recommends. JS moves, PB seconded, passed unanimously.
