

## Town Manager's Report for December 28, 2020-January 1, 2021

Items to report on for this short holiday week include the following:

### Public Safety:

The **Sheriff's** weekly report is attached. There were three residential burglaries last week. The Sheriff's office is investigating the burglaries and detectives have made contact with the burglary victims. One of the burglary victims posted on nextdoor saying that the Sheriff was not interested in investigating the burglary but there may have just been some misunderstanding. There was also a group of individuals who were squatting in a vacant house on Oak Knoll Court. It's not clear how the squatters knew the house was empty. The individuals were escorted from the premises. The Sheriff's helicopter was used in establishing a search perimeter and residents were notified of the helicopter's presence. The owner is in China and was not immediately reachable. Items in the house have since been reported as missing. Criminal charges against the squatting individuals may follow.

### Excerpted from Nextdoor:

["Two Burglaries in LAH Christmas Day."](#) This car entered our cul-de-sac, Via Cerro Gordo, at 4:32pm, and laid in wait. They then followed us when we left home at 6pm, to ensure we were headed far away. See attached video from our neighbor's street-cam: Their headlights light up, then we pull out of our driveway on the top right of the frame, shadows of multiple figures get into the car, and they follow us. They returned and broke in at 9:42pm, stealing jewelry. Please review your security camera footage for 4pm onwards on Friday, if you have one facing the street. We are hoping for alternate/better photos of this car and license plate. Police have been alerted of both burglaries and have ZERO interest in investigating them. They will not return calls, or even acknowledge the security camera footage we have sent so far - of the three burglars on our property, or of the street views."

**Palo Alto's Foothills Park** is now open to the public and there has been a stampede to get in the Park. At various times, cars are parked everywhere along Foothills Park roads and then they overflow park onto Los Altos Hills public and private streets. We've posted no parking signs along nearby streets and pathways. We're looking into other ways to limit overflow parking on Town streets.

There was an earthquake on Tuesday that a lot of people felt but it appeared to have not caused any injuries or damage.

Town Hall is closed Friday in observance of **New Year's Day**. I will be out of the office until **January 5<sup>th</sup>** and not likely in cell phone range. Zach Dahl or Deborah Padovan can be reached if anything comes up over the next few days.

Happy New Year to all. Feel free to call or text me if you have any questions.

Thanks.
