Good afternoon Mr. Pirnejad,

Attached is the Weekly Report for February 28<sup>th</sup> to March 6<sup>th</sup>, 2022. You will notice an extended arrival time on the following calls for service:

22-059-0248L (82m 43s) – Found Property – A call of this nature is not normally listed as a priority 1, 2 or 3 call. However, in reviewing the details of the call, we noticed this originally was dispatched as a “Suspicious Package” event, which would rise to a higher priority level call for service. As fate would have it, our deputy was dispatched to a suspicious person call only four minutes prior to this event being called in. That suspicious person call ended up resulting in a search for a subject by our Los Altos Hills Deputy, as well as three deputies from Cupertino. In the end, they located the subject and were able to arrest him on an outstanding warrant, but it resulted in an extended response time to this suspicious package call.

22-061-0039L (97m 13s) – Suspicious Vehicle – This was a call of a large construction type vehicle pulling up to a construction site at 5:15 AM, well before the allowed construction start time. On this particular day, our deputies were working on a mutual aid call out of Saratoga that involved a pursuit of a vehicle involved in the theft of catalytic converters. At the conclusion of the pursuit, a search ensued of the three subject who all ran from the suspect vehicle. One suspect was eventually apprehended, who also happened to be in possession of a firearm. As a result, the shift supervisor had to prioritize incoming calls for service in relation to this major event. In the interest of public safety, the decision was made to allow this call to pend until a deputy could become available to respond. The caller in this particular event did not express any type of concern to us about our response time and simply (and accurately) stated there should not be any type of construction at that time of morning.

22-065-0130L (45m 36s) – Mail Theft – For this call, the caller was reporting someone had broken into the mailbox and taken a “few pieces of mail”. At the time of this call, deputies in the area were handling a disturbance event in the unincorporated area of Los Altos and could not immediately respond. Additionally, deputies in the nearby contracted city of Cupertino were handling a stolen vehicle event, as well as a fresh assault, and therefore unable to assist. The first deputy to clear from these events was dispatched to and handled this event, eventually clearing with a theft report.

I’d be happy to answer any questions or clarify any of this information further if you would like.

Thank you,

Lieutenant Jason Brown #1688
