## RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
i	3/11 8:39 pm	35m 3s	22-070-0365	For this incident, the Federal Aviation Administration was calling the Sheriff's Office to report someone on the ground was shining a blue laser at aircraft as they flew overhead. Due to the nature of call, the Sheriffs' Office helicopter, STAR-1, was charged with responding to and investigating this incident, since their equipment allows them to better determine the possible source of the laser. STAR-1's response was delayed a short time, as they were assisting a neighboring agency when this call came in. It is common for STAR-1 assistance neighboring agencies on significant or high profile calls for service. Once available, STAR-1 immediately responded and investigated this event.
