RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
i	3/28 4:32 pm	35m 1s	22-087-0301	This event was a call from a resident who noticed someone climb over a gate onto their property, but then quickly climb back over and drive away. At the time of this call, the deputy assigned to Los Altos Hills was assisting one of our neighboring contract cities in the search for a missing juvenile. Once the child was located, deputies were able to respond and handle this incident. Once deputies began response from the previous call, we arrived within 9 minutes and verified there was no further suspicious activity.
ii	4/1 4:10 pm	20m 11s	22-091-0286	The caller for this incident reported a group of teenagers trespassing on a vacant property. At the time, our deputy was just arriving to assist units in Cupertino with a call at a local school. The deputy was able to turn around and respond back to Los Altos Hills to handle this call, but was delayed due to the distance needed to travel during a busy time of the afternoon. As a result, we missed our targeted response time for this priority level 2 call by approximately 6 minutes.
iii	4/2 7:31 pm	51m 50s	22-092-0251	This was a report of a suspicious subject who approached a resident and began asking questions about the vehicles parked in front of the house. Deputies immediately responded to the address. However, while in route to the address, they were diverted to a higher priority call involving weapons in Cupertino. All available deputies responded, including the deputy assigned to Los Altos Hills. Once the incident in Cupertino was rendered safe, deputies were able to respond and handle this call for service, which resulted in an extended response time.
