RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	4/20/22 7:30 AM	40m 39s	22-110-0051L	<p>On this residential alarm call, patrol deputies were conducting much needed training at the beginning of their shift. As a result, the dispatch and response times were extended, as the training was taking place at a Sheriff's Office facility in a neighboring jurisdiction. Due to this training and delay in dispatching the call, deputies were dispatched to the alarm at 7:53 AM. Therefore, we missed our target response time of 25 minutes for Priority 3 calls.</p>
2	4/18/22 6:58 PM	51m 5s	22-108-0298L	<p>This was a call of potential threats the caller received via email. The caller requested patrol checks around the neighborhood for any suspicious persons. At the time of the call, deputies were in the process of the daily shift change and a new team was preparing to start their day. As this was initially a request for patrol checks of the area, the shift supervisor decided to let this call pend until the night shift deputy could respond. The deputy assigned to Los Altos Hills began his shift at 7:00 PM and, after gearing up for the day, was able to begin response at 7:15 PM. Unfortunately, this caused us to miss our targeted response time of 25 minutes for Priority 3 calls.</p>

Safety tips for tax season mail theft

As we are in the annual tax filing/return season, here are some tips to keep your personal information and tax returns safe:

- Promptly pick up mail after delivery and never leave mail in the mailbox overnight.
- Utilize a mailbox with a lock.
- Install security cameras that capture the area around your mailbox.
- Place a hold on mail when going out of town.

Please call the Sheriff's Office to report possible mail theft or suspicious activity centered around mailbox delivery locations.
