## RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	5/7/22 9:50 AM	34m 12s	22-127-0087L	On this event, the caller was reporting heavy construction in the area, which was in violation of Town Ordinance restricting construction on weekends. The deputy assigned to Los Altos Hills was assisting with traffic control at the annual Pathways Run/Walk and was unavailable to immediately respond. A deputy from one of our neighboring contract cities was able to respond and halt construction for the day, but his response was delayed due to the distance he needed to travel. Our target response time for Priority 3 calls is 25 minutes, which unfortunately we missed by just under 10 minutes.
2	5/7/22 10:00 AM	65m 15s	22-127-0090L	The caller for this event was reporting online harassment by an unknown subject. Like the previous event, the deputy was still assisting with the Pathways Run/Walk and unable to respond. Given the nature of this call, the shift supervisor made the decision to have this call pend until the Los Altos Hills deputy was available to respond and provide services. Once available, the deputy immediately responded to investigate the reported harassment.
