**Note:** The target response time for priority level 1 calls is 9 minutes, for priority level 2 calls it is 14 minutes, and for priority level 3 calls it is 25 minutes. Response times are only available for some calls for service and not for self-initiated activity.

## RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	5/13/2022 7:09 AM	32m 42s	22-133-0053	Alarm company contacted dispatch at 7:09 AM to report the activation. To reduce overtime, the shift supervisor allowed the midnight deputy to head back to the substation while the dayshift deputy responded to the scene. The deputy arrived at 7:42 AM and missed our target time of 14 minutes for this Priority 2 call.
2	5/9/2022 5:33 AM	19m 43s	22-129-0039	This 9-1-1 call was placed with a cellular telephone and received by dispatch at 5:23 AM. Due to the limited information provided to the dispatcher by the caller, research needed to be conducted to find the address. The required research prevented a deputy from being dispatched immediately. The delay caused the response time to be 5 minutes over our agreed upon time for a Priority 2 call.
