RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	5/19/22 2:03 PM	28m 3s	22-139-0271L	This was a call of a tree that had fallen, blocking portions of the roadway. Our Los Altos Hills Deputy was working an event that had come in prior to this call and was unavailable to respond. A deputy from Cupertino responded to assist with this call but missed our targeted response time of 14 minutes due to the travel time.
2	5/22/22 8:02 AM	27m 40s	22-142-0054L	On this event, the caller reported two vehicles blocking portions of the roadway, making it difficult for other vehicles to pass. This call came in just as we were going through a shift change. The night shift deputy was leaving, and the day shift deputy was just preparing to start his shift. The decision was made to have the day shift deputy respond as soon as he was prepared for his shift, which caused us to miss our 14-minute targeted response time by a little over 13 minutes.
