Note: The target response time for priority level 1 calls is 9 minutes, for priority level 2 calls it is 14 minutes, and for priority level 3 calls it is 25 minutes. Response times are only available for some calls for service and not for self-initiated activity.

RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	8/26/22 12:10 PM	48m 18s	22-238-0172L	Although the details of this incident show an extended response time, the deputy immediately called the resident upon being notified of the incident. This report of a suspicious person was over 24 hours old at the time of the call and as such, telephone contact was appropriate. While the listed response time shows we missed our target time for priority 3 calls, the deputy began to handle the call within a few minutes of being notified of the details.
2	8/25/22 4:17 AM	30m 3s	22-237-0035L	The caller for this event reported a loud motorcycle going up and down the street near his residence. At the time of the call, the Town Deputy was handling a residential alarm call in another area of town. Once the alarm was clear, the deputy immediately responded to this suspicious vehicle call. This delay caused us to miss our target time of 14 minutes for priority 2 calls by about 16 minutes.
