RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY				
#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	9/9/22 9:41 PM	41m 15s	22-252-0383L	This call of someone shooting a flare gun or lighting fireworks in the area came in just as our swing shift deputy was going home for the night and before our night shift deputy started his shift. To minimize overtime and be fiscally responsible, the decision was made to allow this event to pend until a deputy was available. When available, a deputy from the neighboring city of Cupertino responded to handle the call. This delay caused us to miss our target response time of 14 minutes to priority 2 calls by about 27 minutes.
2	9/11/22 9:21 AM	30m 20s	22-254-0084L	On this report of a burglary, the caller was calling from an off-site location. The deputy immediately made contact by telephone and later responded to meet the caller. While it appears we missed our target response time of 25 minutes by about 5 minutes, the investigation began almost immediately with telephone contact between the deputy and the victim.
3	9/10/22 1:18 AM	73m 23s	22-253-0029L	The caller reported a suspicious vehicle, blocking the roadway, just up the road from their residence. At the time, our West Valley patrol deputies were all providing mutual aid assistance on a report of a burglary in the city of Saratoga. After an extensive search for burglary suspects was complete, deputies responded to the area for this suspicious vehicle. This delay caused us to miss our target response time to priority 2 calls by nearly an hour.
4	9/10/22 7:19 PM	50m 50s	22-253-0337L	This call of a subject camping on a neighboring property came in just as our day shift deputy was going home for the day and as our night shift deputy started his shift. To minimize overtime and be fiscally responsible, the decision was made to allow this event to pend until a deputy was available. As soon as he was prepared and ready for his shift, the Los Altos Hills deputy immediately responded from Cupertino to handle the call. This delay caused us to miss our target response time of 14 minutes to priority 2 calls by about 45 minutes.
