**Note:** The target response time for priority level 1 calls is 9 minutes, for priority level 2 calls it is 14 minutes, and for priority level 3 calls it is 25 minutes. Response times are only available for some calls for service and not for self-initiated activity.

## RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	9/12/22 2:11 PM	33m 31s	22-255-0208L	On this event, the caller was reporting construction vehicles who are chronically parking on their property without permission, including blocking access in and out of the driveway. At the time of the call, our deputy was already investigating another incident in another area of town and unavailable to immediately respond. Once the previous investigation was complete, the deputy responded to this parking complaint, arriving within 7 minutes. Unfortunately, the initial delay caused us to miss our target response time to priority 3 calls by about 8 minutes.
2	9/12/22 6:24AM	14m 18s	22-255-0043L	The caller, who was not home at the time, reported seeing two suspicious subjects on their property via video surveillance. This call came in just as the Los Altos Hills deputy was beginning his shift and still at the substation in Cupertino. Unfortunately, the distance to be travelled from the substation to this call caused us to miss our target response time of 9 minutes to priority 1 call by about 5 minutes.
