RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY				
#	DATE/TIME	RESPONSE TIME	EVENT	COMMENTS
1	1/9/23 12:31 PM	49m 34s	23-009-0211L	When this identity theft call came in, the deputy was already on scene and investigating a residential burglary call in another area of town. At the conclusion of the burglary call, the deputy responded to investigate this incident. The delay caused us to miss our target response time by approximately 24 minutes.
2	1/15/23 9:03 AM	22m 2s	23-015-0103L	This was a report of suspicious vehicle in the area that drove away when the caller approached it. Since the caller provided a direction of travel for the vehicle, the deputy checked the areas where the vehicle was last seen before contacting the caller about the incident. Although it appears there was a 7 minute delay in response, the deputy actually arrived within the targeted response time window and was conducting a search for the vehicle.
3	1/9/23 2:53 AM	21m 31s	23-009-0028L	At the time of this alarm call, the deputy was providing mutual aid assistance to deputies in another one of our contract cities. Once available, two (2) deputies responded and investigate this alarm. The delay caused us to miss our target response time to priority 2 calls by about 7 minutes.
4	1/10/23 2:48 AM	21m 44s	23-010-0063L	Due to inclement weather, deputies were responding from call to call in an effort to keep up with weather related alarm calls. The high volume of weather-related calls caused a slight delay in response to this alarm, resulting in us missing our target response time by about 7 minutes.
