RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	1/28/23 4:58 PM	44m 17s	23-028-0242	3	At the time of this disturbance call, our deputy had just begun response to a residential alarm in another area of town. Upon completion of the alarm investigation, the deputy responded to handle this event. The delay caused us to miss our target response time to Priority 3 calls by about 19 minutes.
2	1/25/23 1:01 PM	11m 20s	23-025-0206	1	The Los Altos Hills deputy was dispatched and began response to this burglary event within 36 seconds of the initial call into dispatch. Unfortunately, due to distance needed to travel, it took just under 11 minutes to reach this address. This caused us to miss our target response time to Priority 1 calls by about 2 minutes.
3	1/23/23 7:31 PM	110m 2s	23-023-0393	3	When this call came in, which turned out to be a parking complaint, the day shift deputy had ended her shift for the day. The swing shift deputy was attending a mandated training course and unable to immediately respond. Due to the nature of the call, the decision was made to allow this call to pend response until a deputy was available. This delay caused us to miss our target response time by about 85 minutes.
4	1/29/23 2:02 AM	44m 5s	23-029-0037	3	At the time of this alarm call, our deputy was handling a residential alarm in another area of town. Upon completion of that alarm investigation, the deputy responded to handle this event. The delay caused us to miss our target response time to Priority 3 calls by about 19 minutes.
