Note: The target response time for priority level 1 calls is 9 minutes, for priority level 2 calls it is 14 minutes, and for priority level 3 calls it is 25 minutes. Response times are only available for some calls for service and not for self-initiated activity.

RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	2/1/23 2:04 PM	36m 58s	23-032-0275	3	When this call of a residential alarm was called in to the Sheriff's Office, the Los Altos Hills Deputy was completing a residential alarm call in another area of town. The deputy contacted the caller, who was not at the residence at the time of the report. The deputy waited for the victim to return home and was then able contact them. The delay in waiting for the victim to return home caused us to miss our target response time by almost 12 minutes.
2	2/3/23 6:54 AM	27m 37s	23-034-0054	2	When this residential alarm call came in, the dayshift deputies had not yet come into service to respond to the call. Midnight deputies responded to assist on the call, but were delayed as we were in the process of shift change. This delay caused us to miss our target response time by about 13 minutes.
3	2/4/23 9:54 PM	35m 21s	23-035-0335	2	When this report of a residential burglary came in, the Los Altos Hills deputy was already investigating another burglary in another area of town. When he was able to break away from that investigation, the deputy immediately responded to check on this alarm. The delay caused us to miss our target response time by approximately 10 minutes.
