## RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	2/11/23 2:33 PM	30m 15s	23-042-0159	3	When this call of a theft came in to the Sheriff's Office, the deputy was completing a required training course at the Sheriff's substation in Cupertino. The training ended a few minutes after the call came in and the deputy was able to respond, but the delay caused us to miss our target response time by about 6 minutes.
2	2/11/23 11:25 PM	19m 33s	23-042-0317	2	At the time of this call about an aggressive stray dog, the deputy was handling a suspicious person call in another area of town and could not immediately respond. Once the previous call was clear, the deputy responded to this event. The delay caused us to miss our target response time by about 5 minutes.
3	2/10/23 6:04 PM	19m 42s	23-041-0333	2	At the time of this residential burglary alarm call, the Los Altos Hills deputy was providing Mutual Aid assistance to the deputies in another one of our contract cities. Two of our Cupertino deputies responded to handle this alarm, but the delay in response and distance to travel caused us to miss our target response time by about 5 minutes.
4	2/10/23 7:14 PM	22m 12s	23-041-0349	2	When this residential alarm call came in, the deputy was still providing Mutual Aid assistance for the same large-scale event described above. Again, deputies from another beat area responded to handle the alarm, but the delay caused us to miss our target response time by approximately 8 minutes.
