**Note:** The target response time for priority level 1 calls is 9 minutes, for priority level 2 calls it is 14 minutes, and for priority level 3 calls it is 25 minutes.  
Response times are only available for some calls for service and not for self-initiated activity.

**RESPONSE TIME SUMMARY**

#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	2/22/23 07:11 AM	72m 3s	23-053-0064	3	This call of residential construction beginning earlier than allowed, per the Town of Los Altos Hills Municipal Code, came into the Sheriff's Office just as our night shift deputy was ending his shift for the day. In an effort to prevent overtime and be fiscally responsible, the decision was made to allow this call to pend until the day shift deputy could begin his shift and respond from the West Valley Substation. This delay caused us to miss our target response time by about 47 minutes.
2	2/23/23 3:12 PM	164m 1s	23-054-0254	3	This caller, who wanted to report a possible theft, stated he would not be able to meet with the deputy until a later time. The event remained open and active until they were available to meet with the deputy. After contact with the caller some time later, it was determined there was not enough information to complete a theft report and the incident was more of a civil issue. Unfortunately, there was a nearly 2-hour delay until the caller was ready to meet with the deputy, causing us to miss our target response time. While waiting, the deputy was able to respond to and handle other incoming calls for service.
