## RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	3/9/23 6:26 PM	128m 12s	23-068-0377	2	This call of a tree blocking the roadway came in during a severe weather episode happening throughout the area. There were numerous reports of residential alarms, trees blocking roadways, and other weather-related events. Our deputies handled these events as quickly as possible, in the order they were received, but were unfortunately delayed in responding to each event, including this reported traffic hazard.
2	3/7/23 3:26 PM	27m 39s	23-066-0298	2	At the time of the report of a suspicious vehicle in the area, our deputy was providing Mutual Aid assistance to deputies in the neighboring contact city of Cupertino. They were soon able to clear the assistance call and respond to this event, but the delay caused us to miss our target response time by about 13 minutes.
