## RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	3/26/23 3:21 PM	59m 33s	23-085-0205	3	Due to a critical incident occurring in another area of the county, Sheriff's Deputies were providing Mutual Aid assistance by responding to assist with calls for service in other neighboring jurisdictions. Once a deputy was available, we responded to this complaint of vehicles parked in a no parking zone. The delay caused us to miss our target response time by about 34 minutes.
2	3/20/23 8:13 AM	20m 39s	23-079-0065	2	At the time of this alarm, our deputy was just beginning his shift for the day. While he immediately began response to this address, the time it took to travel from our substation in Cupertino resulted in us missing our target response time by approximately 6 minutes.
3	3/21/23 1:29 PM 1:44 PM	26m 13s 21m 28s	23-080-0247 23-080-0264	2 2	At the time of these alarm calls, the West Valley area was experiencing a severe wind and rain weather event, resulting in numerous calls for service. Deputies did their best to keep up with the high volume of calls, however our response to some events was delayed until units were available. At the time of these alarm calls, deputies were already trying to clear other pending calls. Therefore, delaying our response by 5-10 minutes.
4	3/24/23 12:55 PM	22m 41s	23-084-0194	2	When this call of a residential alarm came in, the Los Altos Hills deputy was handling a larger event in another area of town. Therefore, two deputies from Cupertino responded to investigate this alarm. The distance to travel from their Cupertino beats resulted in us missing our target response time by about 8 minutes.
