## RESPONSE TIME SUMMARY

#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	4/13/23 3:26 AM	48m 15s	23-103-0019	2	When this call of a suspicious person initially came into our dispatch center, deputies immediately began to respond. However, the caller stated the incident was 30 minutes old and the subject was no longer on their property. While in route to meet with this caller, a similar call came in just up the road, with the subject still on the property. Deputies diverted their response to the new address in the hopes of locating this suspicious person. Unfortunately, the subject was gone upon our arrival. After completing this related investigation, we responded to meet with the initial caller on the original event. The delay caused us to miss our target response time by about 34 minutes.
