RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	5/3/23 4:09 PM	93m 51s	23-123-0291	3	This was a call of a burglary at a vacant house. The victim does not live in California and was not available to speak with a deputy until later in the evening. The person who discovered the burglary left the area and could not be reached by phone. The deputy was unable to contact anyone related to this event for approximately 90 minutes, which caused us to miss our target response time by a little over an hour.
2	5/2/23 8:22 PM	24m 39s	23-122-0328	2	At the time of this call of a solicitor going door-to-door to sell goods, our deputy was providing Mutual Aid assistance to another one of our contract cities on a stolen vehicle pursuit and crash. Once a deputy was available, he was able contact the reporting person and search the area for the subject. The delay caused us to miss our target response time by about 10 minutes.
3	5/3/23 7:18 AM	53m 19s	23-123-0051	2	This call of a tree blocking the roadway came in during shift change and the day shift deputy was just preparing to start his shift. Although our response was delayed due to shift preparation and commute traffic, Los Altos Hills DPW was notified and immediately responded to clear the roadway. When the deputy arrived, DPW was already in the process of removing the tree. However, due to the shift change, we missed our target response time by nearly 40 minutes.
