**Note:** The target response time for priority level 1 calls is 9 minutes, for priority level 2 calls it is 14 minutes, and for priority level 3 calls it is 25 minutes. Response times are only available for some calls for service and not for self-initiated activity.

## RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	5/21/23 5:38 PM	30m 25s	23-141-0266	2	When this call came if of a tree that had fallen and was blocking the roadway, our deputy was handling a theft report in another beat area. A deputy from one of our other patrol areas was able to respond to investigate this event, but the delay caused us to miss our target response time by about 16 minutes.
2	5/18/23 3:55 AM	20m 02s	23-138-0037	2	This residential alarm call came in while our deputy was investigating a separate alarm in another area of town. At the conclusion of that investigation, the deputy was able to respond to handle this alarm. The delay caused us to miss our target response time by about 6 minutes.
3	5/21/23 7:34 AM	22m 20s	23-141-0067	2	This alarm call came in as our night shift deputy was ending his shift and the day shift deputy was preparing to start their shift. In order to remain fiscally responsible and avoid overtime charges, the decision as made to allow the day shift deputy to respond from the Cupertino substation. The delay caused us to miss our target response time by about 8 minutes.
4	5/17/23 4:49 PM	61m 28s	23-137-0332	3	At the time of this call of a possible threat, the caller was not at the scene of the incident and had to be contacted by telephone. The deputy immediately contacted the caller by phone and then responded to contact the involved parties to continue the investigation. While it appears we missed our target response time by about 36 minutes, the deputy actually immediately began his investigation into this incident.
