## RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	8/2/23 3:09 PM	140m 17s	23-214-0240	3	At the time of this call, our deputy was providing mutual aid assistance to another jurisdiction in active pursuit of a burglary suspect. Once that incident was concluded, we responded to handle this investigation, but were significantly delayed.
2	8/4/23 7:06 PM	77m 10s	23-216-0338	2	At the time of this call, our deputy was providing mutual aid assistance to another jurisdiction on a Domestic Violence investigation. A deputy from another contract city was eventually able to respond to check on this traffic hazard, but the response was delayed by other priority calls.
3	8/4/23 10:32 AM	28m 59s	23-216-0139	2	At the time of this call, our Los Altos Hills deputies were on the scene of a traffic collision in another area of town. Once clear from the accident investigation, they immediately responded in an attempt to locate this suspicious vehicle.
4	8/4/23 5:10 PM	88m 37s	23-216-0304	2	This was a repeat call of a residential burglary alarm. Due to the multiple alarm activations, our deputy first attempted to contact the homeowner by telephone. When there was no resolution to the alarm by telephone, the deputy responded to investigate. The same alarm activated numerous times within a 48-hour timeframe, with each proving to be a false alarm.
5	8/4/23 1:41 PM	36m 16s	23-216-0218	3	For this Civil Standby call, arrangements had to be made to meet with the caller prior to responding to the residence. Once that was complete, deputies immediately responded and met with caller. Unfortunately, our systems do not account for these meetings and it appears we missed our target response time by about 11 minutes. However, deputies began handling the investigation as soon as the call for service came into our dispatch center.
