## RESPONSE TIME SUMMARY

RESPONSE TIME SUMMARY					
#	DATE/TIME	RESPONSE TIME	EVENT	PRIORITY	COMMENTS
1	9/2/23 6:33 PM	99m 21s	23-245-0215	3	When this call of a loud party was dispatched to our deputy, he immediately made telephone contact with all of the parties involved and learned the party was a wedding reception. Prior to being able to respond and check the party, the deputy was called to another higher priority call for service. The deputy again contacted the parties upon clearing the priority call and eventually responded to check on the loud wedding reception. While it looks like our response was significantly delayed, the deputy was handling the call immediately upon being dispatched.
2	8/29/23 11:47 AM	35m 6s	23-241-0186	3	At the time of this event, our Los Altos Hills deputy was unavailable to immediately respond due to an Admin Detail. A deputy assigned to another detail saw this event pending response and was able to handle the call. The delay caused us to miss our target response time by about 10 minutes.
3	8/28/23 10:13 PM	30m 46s	23-240-0384	2	Deputies immediately began response to this suspicious vehicle report, but were diverted to a call of possible shots fired in another area of town. Upon completion of the second call, we responded to investigate this event. The delay caused us to miss our target response time by about 5 minutes.
4	9/3/23 7:03 PM	19m 22s	23-246-0257	2	At the time of this suspicious vehicle call, our deputy was providing mutual aid assistance to a neighboring jurisdiction on an in-progress burglary event. Once a deputy was available, they responded to investigate this event, but the delay caused us to miss our target response time by about 5 minutes.
5	8/29/23 9:19 AM	29m 24s	23-241-0291	2	At the time of this event, our Los Altos Hills deputy was unavailable to immediately respond due to an Admin Detail. A deputy from a neighboring contract city was able to respond to handle this event, but delay caused us to miss our target response time by about 15 minutes.
6	8/29/23 9:35 AM	36m 35s	23-241-0104	2	This call of an injured animal came in only minutes after the prior event. Once the deputies completed the investigation for the event above, they responded to handle this investigation. The delay caused us to miss our target response time by 22 minutes.
