

TOWN OF LOS ALTOS HILLS TECHNICAL MEMORANDUM

California Transportation Commission Technical Amendment to Resolution No. R-62-22

On June 16, 2022, the Town of Los Altos Hills approved Resolution No. R-62-22 which listed the proposed projects that will be funded in-part with Fiscal Year 2022-23 Road Maintenance & Rehabilitation Account Revenues. The Resolution included on the project list the Town Hall Parking Lot.

The Parking Lot project will not use any of the RMRA funds; this project is strictly funded by the Town General Fund.

Transportation funds including RMRA funds are insufficient to fund all transportation needs of the Town, the shortfall is funded with local General Funds as shown in the town budget found here: <https://www.losaltoshills.ca.gov/337/Town-Budget>

Attachment 1 is an updated project list which correctly shows that the Town Hall Parking Lot project will be funded by the Town General Fund.

Please let me know if you need any further clarification as it relates to these projects.

Oscar D. Antillon
Public Works Director
